

**Baring School, Jandiala Guru**  
**Holiday Homework (Summer Vacations)(2024-25)**

Class-II

Dear students and parents....

The long-awaited summer vacation is here. Yes, it's a break from studies, early mornings and tests. It's a time for playing games and having a lot of fun at home. The School encourages the students and parents to spend time together as much as possible. We have planned some helpful assignments for this vacation. Apart from this we encourage parents to focus on refreshing and fun filled activities for this vacation.

❖ **For Students:**

- Relax, enjoy, play at home, learn new things from parents, spend time with grandparents ,watch productive and informative programs on TV.
- Spend an hour minimum every day in working out /doing your holidays homework. Don't hustle at the last minute. Manage and plan your studying and playing hours, TV time etc. so that you can complete the work on time.
- Be independent and honest in doing your work.
- Help yourself in keeping your belongings like books, clothes ,bag ,footwear etc. in a proper place and help your family in making your home a beautiful place to live in.

❖ **For Parents:**

- Kindly ensure to make this summer vacation a fruitful and happy period for your child.
- Spend quality time with your child by narrating moral value based stories ,playing indoor games with him / her, etc.
- Have at least two meals together with your child.
- Let your child bond with his /her grandparents.

Note :

O.K.

- School Picnic will be organised on 5<sup>th</sup> July i.e.Friday
- The holiday homework must be done systematically as per the given instructions.

Subject -Computer

Class: 2 (Practice Worksheet)

1. Read the poem carefully to get your answers to the questions given below :

## Computer, Computer!

Computer, computer!  
You have so many parts.  
There are big ones and small ones  
And one that makes you START.

The Central Processing Unit's  
where it all begins.  
Some people call it the CPU.  
It has a hard drive which  
Saves everything you do!

The monitor is the top part  
Which might look like a TV.  
It shows everything in color  
So that you can see,  
Whatever you wish to see.

The keyboard lets you input  
Letters and numbers alike.  
So that you can type great  
Stories and poems if you like.

The mouse has two buttons  
And a rolling wheel in the middle.  
It helps glide you across the screen  
when you give it a little jiggle.

A printer puts your words on paper.  
It can even print pictures too.  
Some printers are black and white,  
While others print in color by mixing  
red, yellow and blue.

A scanner is a special type of camera.  
It's quite an amazing machine.  
It will take a snapshot of your paper  
And put it on the screen.

Computers are marvelous devices  
That allow you to do many things.  
But in school you always save your work  
Right before the bell rings!
